

# Do you want to make a difference every day?

## Become an intern as a multimedia designer at The Social Legal Aid in Aarhus

At The Social Legal Aid you will get a lot of freedom with your work as well as define your own preferable assignments. Our materials are targeted towards many different audiences which means that there will be great diversity in your assignments. Your tasks will be:

- Produce and update printed matter such as flyers, posters and brochures
- Design of internal and external newsletters
- Development of new websites and maintenance of existing websites
- Re-design of older websites
- Mobile- and SEO-optimization

### We will offer you

The Social Legal Aid offers you an unpaid internship that will last the entire autumn semester with a weekly work-schedule at 37 hours from 9 to 5. We will ensure that our interns gets an exciting and educative internship.

In addition you will also get:

- An exiting and independent internship
- In charge of internal/external visual communication
- The opportunity to apply your theoretical knowledge to practical use
- The opportunity to strengthen your professional network and optimize your resume
- A young and social work environment

### Your profile

It is a condition that you are currently active with a multimediadesign-education. Also we expect that you:

- Can work independent as well as in a team in a cross-disciplinary environment
- Can handle multiple assignments at once
- You are experienced with Adobe programmes
- You are skilled with good visual B2B/B2C communication
- You are creative and innovative
- You like working with design and creation of websites (wordpress)
